

FULVIC MINERALS

DON'T JUST TAKE YOUR SUPPLEMENTS.

Help your body make the most of them.

Real Ingredients. Real Standards. Real Results.

Fulvic Minerals are naturally rich in trace minerals and are widely appreciated for their role in supporting nutrient absorption and complementing a balanced wellness routine.

That's why many people enjoy them alongside their daily vitamins, minerals, collagen, magnesium, creatine and other nutritional supplements as part of a healthy lifestyle.

Think of Fulvic Minerals as the daily companion to your wellness routine, working alongside healthy food, hydration, movement and supplementation to help nourish your body from the inside out.

SOME DAYS YOUR BODY NEEDS A LITTLE MORE SUPPORT

- The busy days.
- The stressful days.
- The workout days.
- The days you wake up tired.
- The days you feel run down.
- The days when your body simply needs a little extra nourishment.

Natural Senioritas Fulvic Minerals were created for real life — a simple daily source of naturally occurring trace minerals designed to complement your healthy lifestyle and support everyday vitality and wellbeing as part of a balanced lifestyle.

WHEN DO PEOPLE REACH FOR FULVIC MINERALS?

Starting the day with vitamins and supplements

Supporting hydration and an active lifestyle

Alongside exercise and recovery

During demanding seasons when life feels overwhelming

As part of a balanced wellness routine focused on long-term vitality

Whenever they want to nourish their body naturally from the inside out

ROOTED IN NATURE.DESIGNED FOR REAL LIFE.

Wellness isn't built by chasing miracles. It's built by consistent daily habits.

One healthy meal. One workout. One good night's sleep. One glass of water. One mindful choice. One drop at a time.

Natural Senoritas Fulvic Minerals were created to complement the healthy habits you're already building and help you make the most of your wellness journey.

HOW TO USE:

- Start with 5 drops daily.
- Increase gradually until you reach your preferred amount (maximum 20 drops, twice daily).
- Take after meals.
- Add to filtered water or your favourite beverage.
- For best results, enjoy consistently as part of your daily wellness routine.
- Drink plenty of water throughout the day.
- For preparation, use glass or BPA-free containers where possible and avoid prolonged contact with metal containers.

IMPORTANT INFORMATION

- If you are sensitive to naturally energising supplements, avoid taking late in the evening.
 - Take medication at least 2 hours before or after use.
 - Consult your healthcare practitioner before use if pregnant, breastfeeding or under medical supervision.
-

Created by a Lyme Warrior and Master Herbalist.

Rooted in nature. Designed for real life.
